ABOUT PENDER

Pender was founded in 2003 and is an independent, employee-owned investment firm located in Vancouver, British Columbia. Our goal is to protect and grow wealth for our investors over time. We have a talented investment team of expert analysts, security selectors and independent thinkers who actively manage our suite of differentiated investment funds, exploiting inefficient parts of the investing universe to achieve our goal.

PORTFOLIO MANAGER(S)

DAVID BARR

Mr. Barr is the Chief Investment Officer of PenderFund Capital Management, setting the direction for Pender's overall investment strategy. Mr. Barr holds an MBA from the Schulich School of Business at York University. He earned his Chartered Financial Analyst (CFA) designation in 2003 and is an active member of the Vancouver chapter. He is a past President of CFA Vancouver having also served on its Board of Directors for four years.

In November 2015, the Pender Small Cap Opportunities Fund, managed by Mr. Barr, won a Lipper Fund Award 2015 for Best Canadian Small/Mid Cap Equity Fund over both three and five year performance.

FELIX NARHI, CFA

Mr. Narhi is Chief Investment Officer and a Portfolio Manager at PenderFund. He began his investing career in 1999 and advocates a business-like approach to investing. Sound investing is the process of determining the value underlying a security and then buying it at a considerable discount to that value. The greatest challenge is to maintain the necessary balance between patience and discipline to buy only when prices are attractive and to sell when they are dear. Mr. Narhi holds a Bachelor of Commerce degree from the University of British Columbia. He earned his CFA designation in 2003 and is a member of CFA Society Vancouver.

Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the simplified prospectus before investing. The indicated rates of return are the historical annual compounded total returns including changes in net asset value and assumes reinvestment of all distributions and are net of all management and administrative fees, but do not take into account sales, redemption or optional charges or income taxes payable by any security holder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated.
