The Pender Bond Universe Fund is an income fund with an investment grade focus. The objective of the Fund is to preserve capital and generate returns through current income and capital appreciation. The Fund invests primarily in investment grade fixed income securities. However this does not preclude the Fund from making equity investments when the Portfolio Advisor deems the risk/reward trade-off to be in the investors' favor.

ABOUT PENDER

Pender was founded in 2003 and is an independent, employee-owned investment firm located in Vancouver, British Columbia. Our goal is to protect and grow wealth for our investors over time. We have a talented investment team of expert analysts, security selectors and independent thinkers who actively manage our suite of niche investment funds, exploiting inefficient parts of the investing universe to achieve our goal.

PORTFOLIO MANAGER(S)

GEOFF CASTLE, MBA

Mr. Castle began his investing career in 2000 and has experience in both public mutual funds and proprietary investment fund management for ultra-high net worth individuals. His background also includes more than five years of industry experience in trade credit and general corporate management. As a fixed income manager, his focus has been on seeking enhanced yield opportunities in situations where substantial margins of safety exist. Mr. Castle holds a Bachelor of Arts degree from UBC and an MBA from the Richard Ivey School of Business at the University of Western Ontario. He is a member of the CFA Institute.

EMILY WHEELER, CFA

Emily Wheeler joined Pender in October 2019 as a Senior Investment Analyst on Pender's Fixed Income team. She is now the Associate Portfolio Manager for the Pender Bond Universe Fund. Prior to joining Pender, Emily worked for a Vancouver based investment management firm that ran mandates including value, fixed income, growth and several alternative strategies. She began her career there in 2004 and gained experience in many aspects of the firm's business. Emily traded equities, fixed income, options and currency for the firm's growth, value, fixed income and an alternative strategy mandate and most recently held the title of Portfolio Manager working with the firm's value and high yield teams. Emily holds a Bachelor of Arts degree from the University of British Columbia. She obtained her Chartered Financial Analyst (CFA) designation in 2010 and is a CFA charterholder and a member of CFA Society Vancouver.

Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the simplified prospectus before investing. The indicated rates of return are the historical annual compounded total returns including changes in net asset value and assumes reinvestment of all distributions and are net of all management and administrative fees, but do not take into account sales, redemption or optional charges or income taxes payable by any security holder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated. Where the performance of a particular class of a fund is displayed, other classes are available and fees and performance may differ in those other classes.
